in the following manner:

Consistently putting maximum effort and collaborating closely with GTS PrAnCorr Team to drive success by:

- Achieving 100% completion of the PrAnCorr Internal and External corrosion enhancement, which includes UAT and training.
- TRL 7 for internal corrosion was achieved on October 18th, 2024, and TRL 6 for external corrosion was achieved on December 6th, 2024.

These accomplishments serve as a testament to the unwavering commitment and exceptional collaboration of the team. Thanks are extended for the outstanding efforts, and congratulations are given for these well-deserved successes.

By doing this, you have positively impacted the following key result(s):

Contribute in advancing PD&T/GTS-Pipeline's capabilities in Pipeline corrosion management, strengthening the company's competitive edge. It also improved pipeline operational efficiency, reduced risk, and positioned GTS-Pipeline as a leader in corrosion innovation and technology.
